RAMADAN EARLY DISMISSAL

Please be reminded that school will close at 2:0pm for the duration of Ramadan. Parents are asked to pick up students no later than 2:15pm.

FIDGET SPINNERS

Fidget spinners are small, ball-bearing devices that the user can rotate between his or her fingers and supposedly help with anxiety, stress of hyper activity. However, some reports are suggesting it may serve more as a distraction than a benefit. We advise that parents use their better judgement when deciding to purchase one for their child.

Please be reminded that if the gadget becomes a distraction in class it may be confiscated by the teachers.
