YEARS 8 and 10 PARENT INFORMATION SESSION

I wish to thank Mrs Bragg and Mr Rixon for the Years 8&10 information afternoon. The session was very informative and I am sure will assist our parents and students in deciding on their electives for next year.

YOUTH LEADERSHIP SUMMIT

A Youth Leadership Summit was held at the Unity Grammar School on 6 September to discuss poverty and homelessness. The Stage 3 SRC leaders attended this summit with Ms Vandana and represented our Campus really well with their idea. It was a great opportunity for our SRC leaders to meet students and teachers from other schools as well as local councilors and politicians.

UNIFORM SHOP APPOINTMENTS

All new students and existing students are requested to make an appointment for back-to-school 2019 uniform fittings. Please call the Malek Fahd Uniform Shop now on 0498 518 916 or email malek.fahd@midford.com.au to arrange an appointment.

Due to the high volume of uniform fittings at this time of the year, we need to emphasise the importance of having an appointment to avoid lengthy waiting times. We normally allow 30-40 minutes for a new student fitting, so please book now to have the peace of mind of a smooth and pleasant uniform fitting.

Appointments will be commencing in October. Malek Fahd Islamic School Uniform Shop will close for the school holidays on Friday, 14th Dec 2018 at 3.00pm.

Additional Holiday Trading Hours:

ENRICHMENT ACTIVITY

The after school enrichment activities **will finish this week**. There will be no enrichment in weeks 9 and 10.

DROUGHT APPEAL

The Campus SRC held a fundraiser for drought relief as their major project for the community. I am very pleased at the generosity of the Campus Community; a total of just over \$700 was raised and will be donated to buyabale.com

HEALTHY MINDS FORUM

Year 9 students will be attending the Healthy Minds Forum on 20 September at the AIA Campus. Now on its fifth year, it continues to be valuable in providing an opportunity to build relationships, share knowledge and encourage young people to look at their physical well-being, mental wellness and learn about strategies and support available in The Hills community.

This interactive forum will give students opportunity to interact with mental health professionals and with other young people, promote help-seeking behaviours and introduce methods to help young people support their own communities.
