BOARD UPDATE

INFORMATION UPDATE FROM THE BOARD OF MALEK FAHD ISLAMIC SCHOOL

26 October 2021

Assalamualaikum

MFIS Parents Committees

Now that we have a roadmap out of COVID restrictions, I am pleased to finally announce that nominations are open for the new MFIS Parents Committees.

During the Board's review of the Parents Advisory Committee in early 2021, the Board found that many parents across the school's campuses feel a special connection to their campus and are seeking opportunities to contribute to campus life in practical and meaningful ways.

For this reason, the Board has decided to establish a Parents Committee at each of the school's campuses: Beaumont Hills, Hoxton Park, Greenacre Primary and Greenacre Secondary. The Parents Committees will commence operation from February 2022.

The Board envisages that the campus-based Parents Committees will make a significant contribution to campus life.

The Parents Committees will work closely with the Heads of Campus, Principal and other Senior School Executive on campus initiatives.

Nomination process

The Board is now calling for nominations for membership of the inaugural campus Parents Committees. Nominations are made using the [MFIS Nominations Form](#).

Prior to nominating, all nominees are asked to carefully read the [Terms of Reference](#). Nominees are required to accept and work in the best interests of the campus and school, in accordance with the Terms of Reference.

Nominations close **5pm, Monday 8 November 2021**.

To ensure productive relationships and successful committee outcomes, the Board will provide support, training and resources for each committee.

I warmly encourage parents to nominate themselves or other parents for these important new committees. If you would like to nominate another parent, please make sure you consult with them first.

Volunteers

During the Parents Advisory Committee Review, the Board also heard that many parents would like to be more active in their support of their campus community but don't have the time to commit to a committee.

For those parents who would like to contribute when they can, in 2022, the new Parents Committees will call for volunteers from amongst the parent community to register their interest in supporting campus initiatives

Jazakallah Khairan for your ongoing support.

Wassalam
