## INFORMATION UPDATE

### FROM THE BOARD OF MALEK FAHD ISLAMIC SCHOOL

Wednesday, 9 September 2020

Assalamualaikum

#### **Great News!**

Alhamdulillah.

The future and financial security of Malek Fahd Islamic School is assured.

The NSW Minister for Education and Early Childhood Learning, the Hon Sarah Mitchell MLC, yesterday wrote to the School Board to advise us that our State Government funding is to be restored. She advises that we have provided to her the evidence and reassurance that the School has rectified past failings, restored proper governance and devoted all government funding to the education of students.

Ms Mitchell graciously conveyed her pleasure at the effort of the School to ensure compliance and commended the School. She rightly reminds us that we must maintain our vigilance.

The School is now able to move ahead in so many exciting directions. Already, many of the targets in the *2018 – 2021 Strategic Plan* have been achieved. In coming years, other things that were delayed because of uncertainty about School funding will be put in place.

More information about these things and how parents, students and staff will be involved will soon be advised. The years ahead promise to be an exciting time to be a part of this wonderful Malek Fahd Islamic School community.

The Board is very grateful for the dedication, understanding and support of the School community – students, parents, staff and leadership teams – during what has been a challenging 4½ years that tested us all.

Together, we have come through.

Congratulations and thank you.

Wassalam
