INFORMATION UPDATE

FROM THE BOARD OF MALEK FAHD ISLAMIC SCHOOL

Monday, 26 October 2020

Assalamualaikum

School fees for 2021

School fees for next year will not rise and will stay the same as 2020.

The School Board has decided that a one-off, one-year fees freeze is in the best interests of our School community. It underscores Malek Fahd's commitment to our families and what we all have endured together in 2020.

The School's repaired financial strength and prudent management over the past four years enables us to do this for one year without effect on staff, facilities or services to your children. The School can for one year absorb the ever-increasing cost of education and upgrades and ensure the quality and breadth of education and pastoral care that you expect for your children.

We will next year build on the progress of important 2020 projects across all campuses. These included new classrooms, new air conditioning, information technology improvements, infrastructure upgrades and additional security cleaning and grounds maintenance.

This year that confirmed the resilience and spirit of our Malek Fahd community. Back in the uncertainty of March and the onset of the COVID-19 pandemic, it was the strength of our relationships and trust in each other that enabled us all to rise to the challenge and a new, untested way of learning at home. It ensured the continuity of learning for your children and their welfare.

Then, in April, that same relationship and trust between home and School saw us return successfully to School in Term 2.

Year 12 HSC

The Board wishes all our Year 12 HSC students success in their exams. It has been an incredibly difficult year because of circumstances outside of your control and that of your teachers who have worked so hard to support and assist you. We take pride in everyone's efforts to achieve their best.

Thank you

The strength of our community lies in our character, our commitment to each other and trust in each other. As we look towards the close of 2020 and the year ahead, the value of a Malek Fahd Islamic education is more evident than ever.

Wassalam
