INFORMATION UPDATE

FROM THE BOARD OF MALEK FAHD ISLAMIC SCHOOL

Tuesday 24 November 2020

Assalamualaikum

We thank parents, staff and the community for your continued support of our School and for your concern about the possible negative impact and risks posed by recent petitions, emails and claims that are incorrect and cannot be tolerated.

The Board and the MFIS community continue to work hard to ensure that our School is a strong and compliant educator underpinned by Islamic values and principles. Together, we have achieved much in the past four years of commitment in all facets of education.

Much remains to be done.

Malek Fahd Islamic School has, since its inception, been proud of and invested in its Islamic faith. This commitment is entrenched in the School's constitution, ethos and daily operations.

All but one member of the Board of Malek Fahd Islamic School is Muslim. Each of us is devoted to making the School the best school that it can be. Each of us is committed to policies and initiatives that advance the quality of education and Islamic values in the School. For this to occur, we must insist that appointments of all School leaders and teachers proceed on merit. This means that a rigorous selection process is followed to ensure that the most suitable applicant is chosen from those who apply.

The Board has and will continue to transparently report to the parents within the School community. In order to do this even better we are conducting a review to find the best ways to receive information and insights from parents and provide parents with further information.

If you have anything to raise with the School, there are clear procedures to do so. These are on the School's website under the tab '*Information*'. This is the best way in which to resolve matters quickly and effectively.

With the resolution of the many issues that confronted the Board in the years since 2016, we continue to ensure that our structures and processes are effective.

Thank you for your support. Working with you and other parents of our students, we will together continue to provide the best possible education in a respectful and caring Islamic setting.

Wassalam
