Dear Parent / Caregiver
Assalamualiakum

We write to inform you that the comprehensive application for Internal Review to the notice received from the Federal Government revoking funding to Malek Fahd Islamic School was lodged with the Federal Government on Monday 7th March 2016. The response to this from the Federal Government is due back to the school on 8th April 2016.

Please be assured that your children's welfare will be our priority and that of the management and staff led by Principal Mr Shamsheer Ali. Everything that we do will be directed to the best interests of our students... your children.

As the interim board, InshaAllah we will be working hard and will meet in person on Monday 14th March to ensure that a programme is in place to comply with funding requirements and ensure that all money received is spent toward education of your children.

We are totally committed to the welfare and future of Malek Fahd Islamic School and will do everything that we can to keep your wonderful school community together and have you and your family as part of it.

We will update you immediately that we have information to share.

Jazak Allah Khairan for your support. We appreciate it and will do all that we can.

Wassalam
Yours sincerely
