INFORMATION UPDATE

FROM THE INTERIM BOARD OF MALEK FAHD ISLAMIC SCHOOL

Assalamualiakum

Friday, 13 May 2016

This week, your Interim Board sat down to review progress with the immense task of re-registering Malek Fahd Islamic School. You will recall that this was the approach that we decided upon because it has the highest prospects of securing our School's long-term future.

It is worth reminding everyone just how much work is involved with re-registration. For example, all of our operational manuals, policies and procedures have to be updated to ensure they are compliant with state and federal education laws. We are making good progress but it will take time to complete.

Last week we reported on progress with reviewing the existing rental agreements covering our three school sites as well as a positive meeting that we held with the Independent Education Union. This week, I can advise that we have agreed to appoint a new business manager for MFIS.

Based at Greenacre, this will be a contract role for six months initially, reporting directly to the Principal. We are seeking a person with strong financial management skills, preferably with experience in an education environment. He or she must also possess good communication and organisational skills.

Like all of our new appointments, this will be an open, transparent recruitment process. If you would like to know more about the role, you will find it advertised on seek.com later today.

As always, keep an eye out for future *Information Updates*, which we aim to issue on Fridays or earlier, if there are major developments. All updates also will be posted on the School website (click on the Interim Board button). If you have any questions, please email them to interimboard@mfis.nsw.edu.au.

Wassalam
