INFORMATION UPDATE

FROM THE INTERIM BOARD OF MALEK FAHD ISLAMIC SCHOOL

Assalamualiakum

Friday, 20 May 2016

Your Interim Board continues to meet weekly during Term 2 as we make good progress with the re-registration of Malek Fahd Islamic School.

Our first priority right now is to update and ratify every single one of the hundreds of policies and procedures that are needed to govern and operate our School.

This is time consuming but necessary. The Board is required to review and sign off on each policy as it is updated to ensure that it complies with state and federal educational requirements.

Once signed off, each procedure will then be shared with the School's Compliance Officer. This will enable us to put a training program in place that ensures all relevant staff understand and can work within these requirements.

Getting our policies right is essential to creating the culture of accountability that we want to build into everything we do at Malek Fahd.

Keeping our School staff informed about these developments is also a priority for us and this week one of our Board members held productive talks with the MFIS staff representative group.

As always, keep an eye out for future *Information Updates*, which we aim to issue on Fridays, or earlier, if there are major developments. All updates also will be posted on the School website (click on the Interim Board button). If you have any questions, please email them to interimboard@mfis.nsw.edu.au.

Wassalam
