2022 Year 11 Subject Selection Information Session

Dear Parents and Carers of Year 10 students,

We are approaching a special and important point in your Year 10 child's schooling when they will make the selection of their senior subjects.

It is important that your child makes an informed decision and one that is right for them. To assist in this, we will be holding a subject information session on **Thursday, 5 August at 7pm**. This session will be hosted by Mrs. Bragg, Secondary Curriculum Coordinator and Mr. Hamper, Deputy Principal Teaching and Learning. They will discuss the components and demands of each subject, provide further information around the assessment and HSC expectations as well as university and other post-school pathways.

We strongly encourage all Year 10 students and their parents to join the session. It will be conducted through Teams and students will receive a Teams meeting invite prior to the session commencing.

Students will not need to make a final decision on their subjects until later in the term and contact details of key staff that you or child may wish to speak to will be provided during the session so that you can raise any questions that you may have directly with them.

We look forward to welcoming you to the session on the 5th August 2021.

Yours sincerely

Mr. Bruce Rixon
Principal
