Head of Campus Newsletter

Dear Parents and Carers,
Assalamu alaykum wa ruhmatullahi wa barakaatuhu

I hope you are all well and staying safe. Today is the last day of Term 2. Term 3 will commence on Tuesday 13 July for students. The Semester 1 Student Reports for Years K-10 student will be mailed home next week. Please contact the Campus if do not receive the reports.

All students have been asked to take as many of their books home as possible in case there is a lockdown, and we have to resume remote learning. Please practice good hygiene and follow all the Covid 19 guidelines to keep our community safe.

Yesterday the Campus hosted its first Australia's Biggest Morning Tea. It was a great event with. I wish to thank the guest speaker, Mrs Ayesha Mir, and all the School executive who attended. I would also like to thank all the local businesses, teachers, parents, and students who donated money, food and items for the auction.

This term, the Secondary Curriculum Coordinator, Mrs Bragg visited the Campus and provided information to Year 11 and 12 students about ATAR. The Career's Advisor, Mrs Khalaf also visited the Campus to share information with the Year 12 students about their UAC account and how to make preferences for university courses. The HSC Careers Expo was held at Moore Park where students attended seminars and presentation on how to apply through UAC. Students also received information from various universities on how to choose the right courses for entry level to university.

PRIMARY STEM

Then STEM Team has developed a great initiative whereby the Year 5G OC class travelled to the Hoxton Park Campus to work with the kindergarten students to

jointly design and create a wind powered galactic rover.

STEM Parent Session

STEM is an approach to learning and development that integrates the areas of Science, Technology, engineering and Mathematics. Parents of Year 4 were invited to participate in STEM activities with their children. This opportunity allowed them to see how their child's problem solving, creativity and critical analysis skills are developing.

Greenacre Campus

Year 10 Geography: Wanda Beach

Students explored the environmental changes and impacts that humans have made on the beach and how this environment has been changed over time and how governments and councils are trying to manage and conserve it.

Kindergarten 2022

Please send in the enrollment request forms to the administration if you have not done so already. Interviews will begin next term. Children who will turn 5 by 31 July 2022 will be considered for enrollment.

Kind Regards,

A handwritten signature in cursive script that reads "Mehar Khan".

Mrs Mehar Khan
