High School Excursion

Year 7-8-9 excursion to Sydney Olympic Park for the 2017 Youth Eco Summit –Thursday 14th September
Congratulations to Mahnoor Liaq for her extra-curricular achievement of winning the “Speaking for the Planet” public speaking competition. As a result MFIS Hoxton Park was invited to attend the Youth Eco Summit (YES) at Sydney Olympic Park on Thursday 14th September.

The 2017 Youth Eco Summit provided high school **students** with a unique opportunity to share their **sustainability projects, successes, innovations and ideas through** student drama, film, debate, and persuasive talks about a greener planet. The Summit concluded with Mahnoor Liaq from MFIS Hoxton Park sharing her winning speech with a number of schools in the audience from all around Sydney.

Year 3-5-6 excursion to Wattamolla Royal National Park

On Friday 15th September Years 3, 5 & 6, Stage 2 and Stage 3 visited Wattamolla, part of the Sydney Royal National Park. Upon our arrival we were fortunate enough to be greeted by one of the two tour guides appointed for us on the day.

Margaret Burnes was responsible for looking after Stage 3 students and Martin was responsible for taking Stage 2 students. Having wonderful weather was a bonus and the warm welcoming reception and introduction which the guides provided the children was beautiful. Their morning session started with an introductory talk about the environment and animals which was very engaging. The connection to the land by the Aboriginal group called the Darawal People was reinforced. Year 3 students were fortunate enough to see a diamond python up in the trees during the day. This was an experience the students will never forget.

By the end of the day everybody was exhausted. This was because we headed out for a bushwalk into the heart of Wattamolla where no sound could be heard except for the rush of a waterfall.
