Assalamualaikom wa Rahmatalillah wa Barakatuhu

Parent teacher interviews are coming up in week 9 and 10. Each class will send out an interview schedule. We strongly encourage all parents and caregivers to attend, as this is an opportunity which will assist you to help your child achieve their learning outcomes by the end of the year.

Sport Carnival

The year 5 and 6 sport carnival will take place on Tuesday 14th March, year 3 and 4 sport carnival will take place on Thursday 16th March, and K – 2 Sport carnival will be held next Tuesday 21st March. These are compulsory for all our students as it is part of our PDHPE program. *Students must come to school in the morning to have their attendance marked. All students will travel together to the venue. Good luck to all our children and may the best house win!*

Harmony Day

The primary school will celebrate Harmony day on **Thursday 23rd March**. The theme for this year is 'belonging'. The National Day against violence and bullying also coincides with Harmony Day celebrations so the message of belonging and inclusivity will be the theme for our school harmony day. Children can come to school dressed in orange, the colour for harmony day and will participate in a range of activities throughout the day to encourage belonging and inclusivity.

Shoebbox for Syria charity

To encourage students to understand the theme for harmony day, we are giving them the opportunity to put into practice the values, care and consideration for others, by taking part in a charity initiative called "Shoe box for Syria". Children are encouraged to care for others by making them feel loved, valued, and remembered, by donating a shoe box filled with gifts for orphaned children in Syria. Children and their families have until Monday 3rd April to start putting together these gift boxes. Once they are complete they can be brought to class where the class room teacher will put them in a safe place until the 3rd of April. Please see over for more details

Head lice

We again remind parents and carers to check their children for head lice. To prevent an outbreak of head lice at the school please keep your child at home and only return them once they have been treated completely. Children will be sent home immediately if they are found to have head lice. For more information about treatment and control, you will find information brochures in the office or you can go to the following website:

Parking and driving on school grounds

A newsletter was issued last week addressing the expected conduct of driving and parking on school grounds. We remind everyone that you must drive with caution when in and around the school. Unfortunately, those who do not follow our school rules may be prevented from driving onto the school grounds. We would appreciate everybody's patience and cooperation in this matter.
