Assalamualaikom wa Rahmatullah wa Barakatuhu

Dear Parents and caregivers

Drop off and pick up time is a very busy time at our school.

To keep our children safe at school we request that everyone who drives onto our school grounds behaves responsibly, and courteously.

Things to remember when driving in and around our school:

- ✓ There is a 5km/h speed limit for all vehicles driving on MFIS school grounds, both before and after school as well as during school hours. Please keep our children safe by sticking to the school speed limit.
- ✓ Be aware of our dismissal times K – 2, 3:10pm & 3-6 is 3:20pm).
- ✓ Cooperate with school staff by following instructions.
- ✓ Return to your vehicle immediately to allow others to drive out. Do not block other drivers in.
- ✓ If you need to see your child's teacher, please make sure that you are parked in the bays available, and not in the drop off and pick up zone.
- ✓ Look out for children who may be out and about. As pedestrians children can be easily distracted and are often too small to be seen by drivers. They may be unable to predict or identify dangers and tend to act impulsively.
- ✓ Look out for other cars pulling out. Avoid making dangerous turns and merging when driving in or around school grounds in order to drive out faster.
- ✓ Stop when requested and give way to pedestrians and other vehicles.
- ✓ Drop and pick up your child on the school side of the road. Calling out to them from across the road is dangerous – they may run to you without checking traffic.
- ✓ It's safest for children to get out of or enter the car on the kerb side of the road to be away from passing traffic.
- ✓ Remain calm and patient during drop off and pick up times. If we all cooperate traffic will move faster.

Please be aware that poor conduct can result in not being allowed to drive onto school grounds.

Your cooperation in keeping our school a safe place is very much appreciated by all at our school.

Wasalams
