

## BEAUMONT HILLS NEWS

Ramadan Mubarak! May Allah (SWT) bestow His blessings on you and your loved ones during this special month of Ramadan. May Allah (SWT) provide us and our children with the opportunity to get closer to Him. At the Campus we hosted an assembly to welcome the month of Ramadan and educate our children about the benefit and reward of this month. I wish to thank all staff and students who participated and made the event successful. This Friday is 'Abaya Day' where students are welcome to wear abayas or their Eid or cultural clothes to school.

The Campus 21st Century Challenges Committee provided a High school parent session on the impact of social media last week. This was an important session as many of our pre-teen and teenaged children are spending more time on different social media platforms. Attendance could have been better. I would like to request parents to attend these sessions so that we can build a strong partnership which will ultimately benefit our children.

Mehar Khan, Head of Campus

## Ramadan Feed the Fasting Fundraiser

Ramadan is a month of blessings, mercy, forgiveness and worship. It is also a month where we help those in need and increase the love amongst ourselves. This week we plan to collect money to feed the fasting. The money will help provide Iftaar (dinner) and Suhoor (breakfast) to poor families overseas.

We ask students, with the help of their parents and relatives, to collect money for this worthy cause. We urge every student to collect a minimum of \$5 and a maximum of any amount by Friday 8th April. Place the money in a sealed envelope with the student's name, class and amount clearly written on the front and handed in to Admin. The class that collects the most on each campus will be awarded a prize.

Prophet Muhammad (S) was most generous in Ramadan!

## ISD BASKETBALL

On the 16<sup>th</sup> of February our Senior students were given the opportunity to represent our school at the ISD Basketball Championships. Both the boys and girls team did very well. It was such a proud moment to see one of our students from Year 10 Ahmed Al-Makhzumi to C Basketball Championships.
