

BEAUMONT HILLS NEWS

Eid Mubarak! Welcome back to Term 2, 2022. I hope all our families had a wonderful Eid with their loved ones. I am pleased to state that our Campus community raised \$6,401.60 which was provided to Bayt-Al-Zakat to supply Ramadan food hampers to refugees in Lebanon. May Allah (swt) reward you immensely for your donations.

The Primary School enrichment activities began this week. Some of the activities offered include netball, STEM, sustainable gardening, FMS and halaqah-Prophet stories. The Secondary School has continued with offering the Readers' Club, Her Story and Art Club.

NAPLAN Online was implemented successfully at the Campus—all students have participated in the assessment and the catchup session for those who were absent on the day of assessment.

Secondary Peer Support Session have begun this week. This is a great initiative to help our Year 7 students gain connection and build relationships as they transition into high school. I thank Mrs Usman, Wellbeing Coordinator, for organising these sessions.

Mehar Khan, Head of Campus

The different types of activities that students are taking part in are Trampolines, Bars and Rolls, Flexibility, Coordination, Cartwheels and Strength.
