

MFIS NEWS

WELCOME BACK

I wish to extend a warm welcome to our students and their families. A special welcome to all new students and staff. I am delighted to be part of an amazing learning community and extremely grateful for the opportunity to serve as MFIS's new Principal. I ask Allah (SWT) to grant me the wisdom, character and capacity to fulfil the responsibilities of the position and look forward to working closely with you. I hope you have enjoyed the holidays and are recharged and ready for an exciting and fulfilling year of education.

Dr Zachariah Matthews, Principal

2021 HSC RESULTS

We are pleased to report that despite the obstacles COVID-19 created for the class of 2021, their persistence, hard work and commitment to learning shone through achieving some of the best results the School has seen in recent times. While we acknowledge and congratulate the four students who gained a place on the prestigious All Rounder list (achieving >90 in all their HSC subjects) and the many students who were amongst the 123 mentions on the Distinguished Achievers list, we are also extremely proud of all those students who achieved their own personal best.

A record number of students gained >80 in their courses and every student gained >50 in every single subject with 98% of results being >60. Equally pleasing was the fact that outstanding results were achieved across the curriculum, demonstrating the depth of the secondary program on each of our campuses. Our thanks and congratulations goes to all our educators, whether it be those who taught the Class of 2021 in Year 12 or those who laid the foundation for their success in earlier years.

As the Class of 2021 joins the ranks of the MFIS Alumni we look forward to the wonderful contribution they will go on to make to our community and the wider Australian society, safe in the knowledge that they are well prepared and ready for the next exciting phase of their lives. May Allah (swt) guide and bless their futures.

Vision:

All students of MFIS receive an education that inspires them to achieve their full potential, embrace the future and make positive contributions to the community.

Mission:

The mission of MFIS is to provide opportunities within an Islamic environment for its students to excel intellectually, physically, emotionally, socially, religiously, morally and vocationally, and become happy and successful citizens.

Motto:

Knowledge is Light and
Work is Worship

COVID SAFETY

As we welcome Years 1-12 students back on Monday 31st January and Kindergarten students on Tuesday 1st February, the following safety measures will be taken: staff vaccinated, staff and secondary students wearing masks, rooms ventilated and regular rapid antigen tests.

SCHOOL FEES

The School is pleased to offer families the following discounts: “upfront full year fee payment discount” and “sibling discounts”. To qualify for the discounts, fees must be paid within the first two weeks of Term. To ensure operational sustainability, the School will implement the debt collection policy for outstanding fees.

SCHOOL UNIFORM

Parents are requested to purchase uniforms from Midford online via <https://www.midford.com.au/school-shops-online> No walk-in is allowed and payments are to be made online or over the phone. For online purchases:

- Select Malek Fahd Islamic School Uniform Shop from the online School Shops tab
- Register a new account - the unique school pass phrase: Malek1989 will be required.
- Add your personal information, create a username and password

Should you require further information or details, please feel free to contact 0498 518 916.

TERM 1: 31/01—08/04

CAMPUS DEVELOPMENT

Hoxton Park Stage 3

Alhamdulillah, we are delighted to announce that the much-anticipated new Stage 3 building for our Hoxton Park campus will be ready for the 2022 academic year. The new building includes seven new learning areas, four seminar rooms which come with operable walls to divide the rooms if needed into eight smaller seminar rooms based on the teaching and learning strategies needed, a huge library and two modern science labs. The building also comes with a cafeteria-style canteen with seating arrangements. Students will also enjoy the huge outdoor play area which has two modern multipurpose courts for basketball and netball. The courtyard will include generous seating arrangements for the students to enjoy during breaks.

Beaumont Hills

Our Beaumont Hills campus is also growing and two new classrooms have been added to accommodate the increasing demand.

We are still enrolling at both campuses for K-12 with limited places available. Please contact the administration office for further details.

“Whoever travels a path in search of knowledge, Allah will make easy for him a path to Paradise.”

Prophet Muhammad (peace and blessings be upon him)
