School fees for 2019

Dear Parents or Carers

Malek Fahd had another busy and successful year in 2018. We look forward to 2019 with confidence and anticipation for what lies ahead.

As you may know, all schools review their fees annually. In setting the fees at Malek Fahd, the School Board strives to ensure that we are able to continue to meet your expectations for your children with the best possible education in a caring Islamic setting.

In setting an appropriate fee level for 2019, we sought to achieve a prudent balance between the costs of continuing to provide the quality and breadth of education and pastoral care that you and all parents expect, our significant capital program, increasing operating costs and the impact of increases in fees on our School community.

We have decided that this year the increase in fees will be consistent with the increase in the Consumer Price Index (CPI).

As introduced last year, the fees will cover many additional items that previously were charged separately. These include Competition Fees, Sports Fees, Athletics, Reading Eggs, Swimming Lesson, Courses, Coaching and Assessments, Lockers and many student Curriculum Excursions. Please note that any Annual Camps are not included in the fees.

The \$100 building development compulsory levy to maintain and build the School's facilities will not change. The School is continuing to make significant investment throughout the various campuses to meet our growing student requirements.

Should you have any questions, please feel free to contact your Head of Campus or the Business Manager. If you are experiencing financial difficulties, we encourage you to contact the Business Manager, Mr Dennis Aktypis, your Head of Campus or the Principal, Mr Bruce Rixon.

On behalf of the School Board, I thank everyone in the Malek Fahd community who supported and contributed in 2018.

We look forward to 2019.

Yours sincerely

DR JOHN BENNETT
