### HSIE Department -BUSINESS DAY SUCCESS -Ms Ali

“Successful businesses do not plan to fail, they fail to plan”. It was no doubt that the Business Day held on the 12/09/2018 was a planned and eventful day for the year 10 Commerce students.

Hard work and enthusiasm were just two of many words to describe the dedication of both teachers and students involved on the day. The Business Day held by Year 10 Commerce students, was an exciting enterprise experience for all those who participated. Not only did this assessment provide students with the necessary life skills in order to begin their own business venture but, also addressed a range of learning outcomes as part of their ROSA Commerce assessment task. This practical assessment enabled students to undertake a real life experience on how to run a business. Over 28 stores included a variety of food and desserts that were sold by the students to the rest of the school.

We would like to thank all students who actively participated, as well as teachers and parents who assisted and showed their support in order to make this a successful event.

2018 saw the first graduating students in the PDHPE Stage 6 course. This course is one of the most popular in the NSW curriculum and twenty students will sit their three hour HSC examination in October with their Malek Fahd peers. The students have worked solidly throughout the year and enthusiastically embraced their studies which included a series of after school tutorials. Aiyah Merhab was the most outstanding student in the 2018 class.

The class have completed their Preliminary examination and course work & and are preparing for the challenge of their HSC course. We are looking forward to the inaugural swimming carnival to be held on the 22<sup>nd</sup> of November. This exciting initiative is at the conclusion of the year 7 boys and girls swimming program. The carnival is compulsory for all Year 7 and Years 8-10 students nominate themselves to compete.

#### **I would like to remind parents about the following:**

Students taking unapproved leave during the school term is highly discouraged and negatively impacts on your child completing curriculum requirements. Please refer to our policy on this aspect.

Please make every effort to abide by traffic rules when dropping off and picking up your child from School. Please show due respect to all Staff on duty at these times. We are all working together to keep all children safe.

*Please be aware EWE Global Express Transport Group will be operating out of the industrial complex next to our school. Their management would appreciate no parents blocking their driveway whilst dropping off or picking up children in the morning or afternoon. Parents need to be aware trucks will be using their driveways throughout the day.*

Yours Sincerely

Ali Dib
