Fundraiser

As part of our community service activities, the Primary School is running a fundraiser to raise funds to help members of our local community who are less fortunate. While we regularly fundraise for those who face hardships around the world, we often forget that there are also many families who face disadvantage and hardships here at home. By running this initiative we hope to raise student awareness of local poverty and provide our students with opportunities to help their local communities. We will be running the fundraiser until the end of the term and ask that students help anyway they can by placing their donations in the collection boxes in their classrooms.

We will be raising funds to support the work carried out by Mahboba's Promise. Mahboba's Promise is an Australian non-profit organisation dedicated to helping disadvantaged women and children. Whilst the majority of the work that they do is based in Afghanistan, Mahboba's Promise also supports locally disadvantaged single women and children. Disadvantaged students are on average 2 to 3 years behind in reading and maths by the time they are 15 years old. Mahboba's local initiatives aim to provide financial and educational support to deserving recipients in the Australian Muslim Community. This is particularly for children whose families are from refugee/migrant backgrounds.

Your help and support for this initiative would be very much appreciated.

Drop off and Punctuality to School

Thank you to all the parents who have made the drop off and pick process so easy and quick. Please be reminded that Primary school starts at 9:00am. There is no need to leave the car as we do have staff to assist if a child needs it, however please be reminded that our classes start at 9am. Staff who are on Drop of duty need to leave the area to go to their classes at 9am.

Uniform

As we are now in the middle of winter, it's important for students to wear the School jumper. Make sure that your child's name and class is clearly written on the label as this makes it easier to return lost items. All school items should be labelled with your child's name and class.

Communication with teachers

If you would like to speak to your child's teacher, please be reminded that you need to call the Primary Office to make an appointment. Appointments need to be made during the day and preferably over the phone.

Reading Survey

Thank you to all those who took the time to complete the reading survey. Your contribution is going to be very valuable in informing the School as to how we can support you to support your child's reading skills.
