Dear Parents/Carers

Assalamualaikom WRB

Welcome back to school. I'm sure the children have had a well deserved break and are ready to get back to school and see their friends and teachers.

The first day back is always abuzz with excitement as everybody meets up after a long time apart and are bursting to share their holiday stories and adventures.

To help them get the day off to a good start, students will line up in last years classes. Following the recitation of the Quran, Dua and welcome back to school assembly, each grade will find out their new class and meet their new teacher. Due to COVID restrictions parents can't come into the school. Children will need to be dropped off at the drop of and pick-up area. Staff will be there to meet and greet the children as well as provide support to the children. By 9:30 all the students should be in their classrooms ready to start learning.

You can help make your child's return to school a positive experience by preparing your child for the first day of school. A conversation about their friends and the new things they will learn should help to encourage your child develop a positive attitude to school. If your child is feeling anxious assure them you will be returning to pick them up at the end of the day and that you will be looking forward to hearing about all the fun things they did at school. Together, lay out their uniform the night before, and pack a healthy lunch and bottle of water together. Make sure they bring their hat to school so they can go out and play at recess and lunch time. And finally, make sure they are ready for their first day of school by packing their books and stationery in their bag the night before. As parents won't be coming into the school, an SMS was sent out to the parents of the younger children, advising which books to bring in over the next few days to lighten the load for them. The Children should go to bed early, have a healthy breakfast and arrive before the bell rings so they get a chance to see their friends.

In regard to dismissal, as with last year, due to COVID-19 restrictions dismissal will be pick up only.

As a reminder the following are the dismissal times which will start on Thursday 28 January:

Kindergarten and siblings are dismissed at 2:50pm from the pick up area

Year 1 and siblings are dismissed at 3:00pm from the pick up area

Year 2 and siblings are dismissed at 3:10 from the pick up area

Years 3 – 6 are dismissed at 3:20pm from the front of the School.

Students with siblings in the Secondary School or who catch the bus will be supervised at the front of the school.

Please make sure you pick your child up on time, as we have limited supervision afterschool.

We look forward to seeing the children on Thursday, when they return to School for 2021.

Waslam

Ms El-Ahmad

Head of Campus
