Dear Parents and Carers,
Assalamu alaykum wa ruhmatullahi wa barakaatuhu

I hope that all our families are doing well as we approach the end of Term 1 and conclude weeks of remote learning for this term.

It has been good to hear that generally things are becoming easier as we navigate through this remote learning platform. Students should not hesitate to contact their teachers via emails or Teams if they are facing any difficulties.

Years 3-12 now have access to Teams, and I have seen high school lessons in action and some primary students using it as well. Please be reminded that Teams and emails must be used appropriately. Disciplinary action will be taken in case of misuse of any of these platforms.

By now you would have received a phone call by the homeroom or classroom teacher, who would have spoken to your child. Please use these calls to share any feedback.

Wellbeing Tips

The School Counsellors and Heads of Wellbeing have put together tips and suggestions on wellbeing. These have been shared with parents and placed on the school website.

Contact details for the Counsellor is:

NSW Health website
<https://www.health.nsw.gov.au/Infectious/disease/Pages/covid-19-resources.aspx> has useful information on Covid-19.

I wish to thank all Campus Staff for their hard work during this difficult time and our parents and students for embracing remote learning. It has not been easy for anyone but in sha Allah we will all make it through this together.

I would like to wish everyone a safe holiday and Ramadan Kareem. Please do remember the less fortunate and the sick in your duas.

Kind Regards,

Mrs Mehar Khan
