## Head of Campus Newsletter

Dear Parents and Carers,  
Assalamu alaykum wa ruhmatullahi wa barakaatuhu

We have completed the first third of Ramadan. I hope the remaining days bring you Allah's mercy and forgiveness. School will be closed on Monday 25 May and Tuesday 26 May to celebrate Eid ul Fitr.

### REMOTE LEARNING

This week students will again be involved in remote learning. All secondary students are expected to be online at 8:25am for roll call and then online sessions for each period. All students must complete and submit the required work.

Primary students and parents have been advised by the classroom teacher of a designated time each day for online sessions. Please ensure your child is logged in to Teams during the specified time.

Primary teachers have also uploaded pre-recorded lessons to assist with the remote learning. This week teachers will be uploading more lessons on Mathematics, English, Science, HSIE, Arabic and Quran.

### RETURN TO FACE TO FACE TEACHING

The Stage 1 of return to face to face teaching begins on 11 May. Please see below the allocated days for your child to attend school. Please be reminded that during Ramadan (week 3-4), Years K-6 will begin at 9am and finish at 1:30pm. Years 7-12 will begin at 8:25am and finish at 2:00pm. School will resume the normal times from Week 5.

### Attendance on Non-Scheduled Days

Students who need to attend school on days other than their scheduled face-to-face learning days will be provided supervision and will complete their remote learning program.

### Students Not Attending

Some parents may choose not to send their children to school during this transitional phase. For these students, remote learning will be available. However, as per the Principal's newsletter, this will not be in same format as it is now. In high school, teachers will stream their

lessons on Teams.

In primary, Teams will not be used on those days. Teachers will provide work through emails instead.

### Important Message to Parents

1. Sick students must not attend school. They must be kept home until they are free from symptoms.

2. Maintain physical distancing from other parents and teachers.

3. Drop off students at the carline in the morning and pick them up from the carline in the afternoon. You will not be allowed to walk your child to their classroom or inside the gates.

4. Wait inside your cars for your children where possible.

5. You must not linger at school.

### Financial support

Parents who may be experiencing financial difficulties are asked to contact the Principal, Mr Rixon, or the Business Manager, Mr Dennis Aktypis for confidential discussions.
