### Ramadan assembly

To welcome the blessed month of Ramadan students will be involved in various activities and competitions to raise awareness about its holiness and importance. A special K-12 assembly will be held on Wednesday 31 March at 11:45am in the Campus hall with speeches from the Campus Sheikhs, Sheikh Yousef and Sheikh Khalil. Students are encouraged to dress up in their cultural attire.

It is a great privilege to promote the importance of giving sadaqa (charity) and teaching our students the importance of giving back to the community in a variety of avenues. At Malek Fahd we are taking a whole-school approach to this by organising pre-Ramadan packs for Syria, Lebanon, and Bangladesh. They are \$50 per pack which will feed a family of 4 for a month through Baitul Zakat and Human Appeal.

At MFBH, we would like to sponsor orphans. Prophet Muhammad (saw) has said, "Myself and the caretaker of an orphan will be in Paradise like this," and he held his two fingers together. If you wish to donate towards helping orphans, please send money to the front office. If you would like to donate to either of these charities, please do so by Wednesday 31 March.

### Primary End of Term Assembly

The End of Term Assembly will be held on Thursday 1 April at 9:00am in the hall. During this assembly, one student from each class will be awarded for demonstrating effort and leadership. Parents of students receiving the award will be informed by classroom teachers. We request only one parent per child attend the assembly.

### Homework Hub

Please be reminded there will be no Homework Hub this Wednesday 24 March due to the Parent Teacher Interviews.

### World Greatest Shave

I would like to thank our Campus community for raising nearly \$900 for this worthy cause.

### Hills Police Harmony Conference

It was a great opportunity for Mr Shameem to meet and greet various members of Hills LAC Police and invitees from surrounding Hills districts. He had a great discussion on school's input in creating harmony within school and wider community.

### Year 8 Geography Excursion-Warragamba Dam

The Year 8 Geography Excursion to the Warragamba Dam was an inspiring day out and allowed students to explore all aspects of modern water supply and to learn about water through hands-on activities. The program was well suited and linked to the requirements of the Australian Curriculum and provided students with the valuable experiences relating to the outcomes in the Geography Syllabus.
