Tuesday 1 December 2020

Assalamualaikom

Dear Parents

In a few days the School Term at Malek Fahd Islamic school will come to an end, bringing the 2020 school year to a close.

The teachers and students have been working very hard to complete their work and programs, and shortly you will receive your child's Semester 2 report in the mail. These reports will give you feedback about how your child has progressed throughout the year in particular Semester 2, both academically and socially. If you don't receive your child's report in the mail, please contact the School.

To end the year we will be holding two assemblies to acknowledge and congratulate the students on their hard work and efforts. Parents may join via teams. A link to the Year 6 graduation assembly and the Awards presentation will be sent out in an SMS.

As we close the year please be reminded of upcoming important dates.

End of Term 4 : Friday 4 December 2020. The summer school holidays start on Monday 7 December 2020.

Start of Term 1 2021: Grades 1 – 6 start on **Thursday 28 January 2021 at 8:45am.**

Kindergarten will also start in the same week. A letter providing Kindergarten parents with Kindergarten start details will be sent out separately.

When we return in 2021, drop off and pick will continue in the same manner as we have been doing since COVID restrictions started early this year. Please kiss and drop your child off at the pedestrian crossing and promptly drive away.

On their first day, students will line up in their 2020 classes, and following morning prayer, and a welcome back announcement, students will be informed of their classes and teachers. Please note, we do not change students or take teacher requests. We have over 1000 students to cater for and we do so by utilising our knowledge and judgement of the children to place them in the most appropriate groups.

School uniform

It is compulsory for all students enrolled at Malek Fahd Islamic School to wear the School uniform. When students return, ALL students must be dressed in full school uniform. Please ensure that you have purchased your child's uniform well before the new school year starts. All uniforms can be purchased from the School uniform shop between now and the start of school in 2021. Please call to make an appointment for a fitting 0498 518 916.

The School uniform includes:

- Short, neat, one length hair for boys,
- Grey or black socks for boys,
- Long pinafore dresses for the girls,
- Black leather school shoes for both boys and girls,
- School hats for both boys and girls, and
- School hijab for all the girls in grades 3 – 6.
- School blazer

Students who do not follow the school uniform expectations may be sent home.

School books and stationery

Children need to bring all their books and stationery on the first day of school. Work will start immediately. Please make sure that you have purchased your child's textbooks and stationery in time for day of school, 28 January 2021. Textbooks maybe picked up from the Five Senses warehouse if they are not delivered in time for the start of school.

On behalf of all the Primary staff, thank you for your patience as we navigated our way through a challenging year. We wish you a happy and safe holiday and look forward to seeing you back in good health in 2021.

Term 4 Highlights

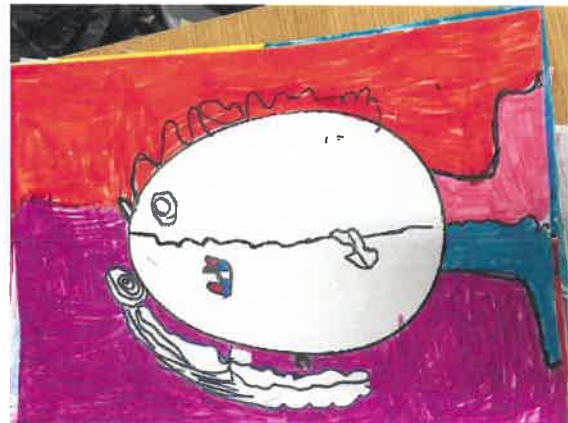

As we end the 2020 school year, here is a look at some of the highlights of Term 4.

Kindergarten students learning about groups in mathematics

Year 1

Year 1 have been experimenting with portraits. Over the term, the students have developed their artists skills and have shown a flair for drawing. Most recently, they've dabbled a little into the work of the famous Pablo Picasso. Picasso had a unique approach to art, often painting a common object or person from lots of different angles in one picture. This is called cubism. The students created their own cubist artwork, recreating the style in their own way to produce amazing portraits. Look for yourself.

Year 2. Having fun and learning in Science!

Year 2 has been using inquiry based learning to make kaleidoscopes, slime, and wind powered vehicles.

Year 6 celebrating NAIDOC week
