Monday 2 August 2021

Assalamualaikom

Dear Parents/Carers

Inshallah this reaches you in good health and that you are all safe and well.

We are now in week 4 of remote learning. Like thousands of children across Greater Sydney, the work that students would normally be doing it school has been redeveloped in a way that allows children to continue their learning albeit in a different platform. One example of this are virtual excursions.

Year 4 virtual excursion term 3 2021

As part of their studies, 4 Purple registered to be part of an online zoo lesson hosted by Taronga Zoo. There were 2 sessions. The first on remarkable reptiles and the second on furry friends. In these lessons, students were shown various Australian animals and learnt about their habitats, features and interesting facts.

All our classroom teachers are appearing on TEAMS for their daily classroom meeting. During this time, explanations and instructions are provided to the students. Resources in the form of online links designed to provide students with further resources are also provided so that students may view them in their own time as they independently complete the assigned work.

The Arabic work that is emailed to parents, contains explicit instruction in English which will help the students to complete their work independently. The Arabic, Quran and Islamic Studies teachers are also available to assist children with any questions that they may have about the work. Please contact the primary school requesting to speak with your child's Arabic teachers.

Daily Online Islamic Reminder

Students, parents, and carers are invited to join us live online at 1:15pm every day from Monday to Friday. A short Islamic Reminder is presented Monday to Thursday by one of our Islamic Department Teachers. On Friday, the Khutbah (sermon) is streamed via TEAMS. The aim of this program is to assist students with their spiritual wellbeing while experiencing the challenges of learning from home. It is also an opportunity for students to hear from teachers they may not normally meet. All you need to do on the day is join the calendar even on TEAMS by 1:13pm. We look forward to you joining us online InshAllah.

Stay safe and take care

Wasalam - Ms El-Ahmad – Head of Campus
