## COVID Update

6 July 2021

Dear Parents,

I hope this email finds you and your family well. Unfortunately, COVID restrictions have affected many planned holidays, but I am grateful for the quick action to minimise risks to NSW residents.

There has been considerable speculation in the media on whether students across Sydney will be returning to school next week. We all share the desire to have students back to normal face-to-face teaching, however, we have yet to receive the NSW Public Health Orders in relation to the education sector. A decision by Dr Kerry Chant is due on Friday, following a meeting that is scheduled with Dr Chant and Heads of Independent Schools on Thursday 8 July at 3pm.

I will inform parents of the Health Orders as soon as an announcement is made.

Prior to the end of Term 2, the School Executive prepared for a possible lockdown, and we are ready to adjust to any decision made by NSW Health.

If students return to school, we will ensure all COVID Safe requirements are in place to support our students and our staff. We are especially focused on Year 12 whose HSC Trials are scheduled to begin in Week 6. To Year 12 Parent please continue to re-assure your children that we will make the very best decisions for them, and in the meantime, they can contact their teachers online via Teams and email. Several HSC classes have been held during the holidays. I am most grateful to the teachers who led the lessons and students who attended.

Thank you for your ongoing support and commitment to the School. I am confident we will have productive learning happening again in Term 3.

Kind regards

Mr Bruce Rixon  
Principal
