Monday 13 July 2021

Assalamualaikom

Dear Parents/Carers

Welcome to Term 3! As you would now be aware, the NSW Government has asked us all to limit mobility and therefore the lockdown will continue until Friday 16 July. This means that Primary students will start Term 3 Tuesday 12 via remote learning.

Remote Learning

Each grade has developed a work package, which will be emailed to the parents by Tuesday morning. In the event that the lockdown is extended, our staff have already planned ahead, and further packages will be sent at the start of each school week. The work is largely self-explanatory and does not require a great deal of printing. You should be able to read the instructions to your child, who will be able to work fairly independently on the set tasks. Students do not need their textbooks, as they can complete their work in any exercise book or paper which they can put in a folder. Teachers will provide instructions that is specific to their class through TEAMS, including when they will be online to speak to their class and how they will be answering their questions.

TEAMS

All parents were emailed last week with their student login details. If you are having IT problems or did not receive this email please email itsupport@mfis.nsw.edu.au

Rules for using TEAMS

When using TEAMS, the school's communication platform, students are expected to communicate respectfully and responsibly including no recording or use of the camera. We want all our students to feel safe using TEAMS so we would appreciate if parents remind children that sending threats to another student, or the use of inappropriate language in chats can see them lose access to TEAMS. Serious breaches of the school's expectations of its students may result in disciplinary consequences. Please reinforce these expectations with your own child.

Attendance

The roll will be marked daily at 9am. Students need to send a simple message through TEAMS at 9am (Present). We ask parents to do this on behalf of younger students.

Drop off and Pick

It is extremely important that parents and carers do not walk into the Primary Campus at all. In line with government regulations parents will not be permitted to enter the Primary campus. We will continue the usual drop off and pick up of students however parents must remain in the car at all times. Should parents come into the campus they must wear a mask, and sign in via the Service NSW QR code.

Canteen

Please note the canteen will not be open during this COVID period.

Skeleton staffing only

Please be aware that while we are open, only a skeleton staff will be onsite to supervise students of essential workers who do come to school. It is a request from NSW Department of Health that students remain at home at take part in remote learning.

Should you require further information or counselling support you can contact our school counsellors.

If you have any further queries please contact the school office on 8732 7800.
